

February 11 - Bird Feeding Day - Bird Treats

Materials

- Sunflower seeds, wheat, millet
- Edible gelatin
- Cookie cutters
- Tray
- Paper straws
- Ribbons

Step 1: Dissolve the gelatin in hot water according to the instructions on the package.

Step 2: Add the dissolved gelatin to the seeds.

Step 3: Mix thoroughly and let the mixture cool slightly.

Step 4: Cut the paper straws into smaller pieces.

Step 5: Place the mixture into the cookie cutters along with the straw to mark the hole.

Step 6: Place the cookie cutters in the fridge for about an hour. After an hour, remove everything from the molds.

Step 7: Thread ribbons through the holes. Our treats are now ready to hang on the tree!
